FAMILY ESTATE

2017 SINGLE ACRE LATE HARVEST RIESLING

WINE OVERVIEW

Our Late Harvest Riesling is sourced from the original Riesling plantings on our estate. Golden in color, this wine has notes of apricot, honeysuckle and lychee. On the palate, the wine is round and rich, with bright acidity that carries the sweetness to a crisp, long finish.

HARVEST OVERVIEW

The 2017 vintage is classically Oregon. Despite a cold winter and cooler than normal spring, ideal weather after flowering created a healthy fruit set, with as much as 20% more berries per cluster than average. Summer was dry and hot, but vines saw little drought stress. By September, everything was on track for a traditional, “normal” Oregon harvest in the Willamette Valley, with Pinot Noir exhibiting outstanding quality. Harvest produced a bumper crop with intense flavor, and perfect sugar and acid levels.
