## 2014 WILLIAM H STOLLER PINOT NOIR

---

*SRP: \$125*

### WINE OVERVIEW

Bill Stoller is a reserved, thoughtful man with a true love for our estate - his home. An exclusive assemblage of our oldest sections, this Pinot Noir was aged in French oak for 16 months before spending another year and a half in bottle in order to exemplify our site, the vintage and the legacy Bill has cultivated over the last 24 years.

With only 30 cases available, the William H. Stoller Pinot Noir is masculine, capturing intensity and concentration in the glass. It shows bright red fruit, warm spice and cedar on the nose with broad tannins carrying through a long finish. This wine is a true reflection of the thoughtfulness and reserved qualities in our founder and our home in the Dundee Hills.

### HARVEST OVERVIEW

A temperate spring and perfect weather around fruit set coupled with a terrific summer of warm, dry days led to a beautiful vintage of perfectly sized, lusciously ripe fruit. We had our earliest harvest on record, starting with our younger Pinot Noir sections on September 8. The wines from this vintage are concentrated and fruit driven, illustrating both restraints in winemaking by letting our vineyard display its nature and the power of a robust growing season.
